ALL latecomers will be directed to a designated location (no matter your regularly assigned booth location) for the safety of other vendors and shoppers. SAFETY is one of our biggest concerns.

Insurance Requirement

Sales Tax

Illinois Sales Tax must be collected when it is required and is the responsibility of each vendor. You must provide a current copy of your Illinois Retail Sales Tax number certificate OR a copy of your Illinois Department of Revenue's authorization of not-for profit status annually for our records. If sales tax is to be collected by the vendor the tax certificate must be displayed in full view at the Market.

Vendor Visits

The Ottawa Area Chamber of Commerce & Industry and Ottawa Downtown Merchants reserve the right to visit your farm, greenhouse, kitchen and/or studio from April through October of 2010. New vendors can be visited prior to participation in the Market season. The purpose of these visits is to confirm the production of produce, baked goods and/or fine art or fine craft items to be sold at Ottawa's Old Town Farmers' Market.

When needed, we may make suspicion-based visits to maintain the integrity of our market. We may have reason to investigate the growth and/or production of suspicious items (not detailed in contract, not planted in fields noted in contract, not shown during vendor visit, etc.). In doing so, we will take an "innocent until proven guilty" tactic and offer the opportunity for the vendor to provide proof and explanation. Failure to allow an inspection will constitute a violation of Market rules; and, participation in the Market will be terminated. If we are not able to coordinate a vendor visit after three reasonable attempts, we will not allow you to begin (or continue) selling at our Market until an inspection can be arranged.
